Retrieving your License Key

Check your product documentation for detailed information on installing your license key.

You can redeem your permanent license key online at <http://www.webware.hp.com>, or by contacting the HP License Key Center, using the contact information located below. Your permanent license key enables the Product Name and Quantity listed on this document. You will be required to provide the Entitlement Order Number as part of the license redemption process.

Your right to use the Software, as well as important restrictions on the use, transfer, and copying of the Software, are set forth in the Software Licensing Terms ("Agreement"), which is either included with this certificate or is accessible during the software installation process. You must review and agree to the Agreement prior to using the Software.
